CENTENNIAL MERIT SCHOLARSHIP

Eligibility:

- Last completed secondary grade must have been completed at a Saskatchewan high school.
- Under 30 years of age as of the program's commencement date.
- Enrolled full-time in an eligible SIAST program (applied certificate; certificate; diploma.)
- The student must be enrolled full-time in an eligible SIAST program, and attending the program on-campus at SIAST Kelsey, Palliser, Wascana, or Woodland campus or a satellite of one of those campuses.
- If the student is pursuing their studies wholly or partially on-line, the program must be available only on-line (ie. Not available through traditional classroom delivery), or a portion of the program must be available only on-line.
- SIAST Centennial Merit Scholarships **are not** currently available for SIAST programs brokered to other institutions.

Year I CMS

- Minimum 70% average in the following five core classes considered:
 1. English Language Arts A30
 2. English Language Arts B30
 3. Social Studies 30 or History 30 or Native Studies 30
 4. the highest grade in a 20 or 30 level Math, or approved equivalency
 5. the highest grade in a 20 or 30 level Science, or approved equivalency.
- Modified high school programs are not eligible.

Year II CMS

- Must have completed year one of the program.

Selection:

Year I CMS

- Applicant with the highest average (minimum 70%) based on marks achieved in core classes from
 - the most recent level of Saskatchewan secondary education. Grade 10 & / or Grade 11 marks may be considered in accordance with minimum admission requirements as specified by the program.

Year II CMS

- Selection will be based on Academic Achievement (100% weighting) as reflected in the grade point average of all classes required for completion of the program's first year.

CIC ABORIGINAL BURSARY:

Conditions of Acceptance:

The bursaries will be paid out in two installments of \$2,500 each. The first installment will be paid approximately 8 weeks following the commencement of the program. The second installment will be paid approximately halfway through the program. Recipients must continue to be enrolled full-time and have met the SIAST requirements for attendance and academic performance to be eligible to receive the second installment of their bursary.

As a condition of acceptance, recipients must authorize CIC to disclose their name, program information and contact information to CIC subsidiary Crown Corporations, and to the Public Service Commission for the purpose of receiving information about potential employment or work experience opportunities; processes for application; and/or information on other career-related activities, initiatives, and event

Preference will be given to students enrolled in the following designated programs:

Kelsey Campus

Auto Body Technician Certificate
Automotive Service Technician Certificate
Business Certificate
CAD/CAM Engineering Technology Diploma Yr I
Computer Systems Technology Diploma Yr I
Electrician Applied Certificate
Electronics Systems Engineering Diploma Yr I
Electronics Technician Certificate
Heavy Equipment, Truck and Transport Technician Certificate
Industrial Mechanics Certificate
Machine Shop Certificate

Mechanical Engineering Technology Diploma Yr I
Power Engineering Technology Diploma Yr I
Tri-Trades Heavy Equipment, Truck and Transport, and Agricultural Machinery Technician Certificate
Tri-Trades Heavy Equipment, Truck and Transport, and Automotive Service Technician Certificate
Welding
CAD/CAM Engineering Technology Diploma Yr II
Computer Systems Technology Diploma Yr II
Electronics Systems Engineering Diploma Yr II
Mechanical Engineering Technology Diploma Yr II
Power Engineering Technology Diploma Yr II

Palliser Campus

Automotive Service Technician Certificate
Business Certificate
Electrician Applied Certificate
Tri-Trades Heavy Equipment, Truck and Transport, and Automotive Service Technician Certificate
Welding
Business Information Systems Diploma Yr I
